Cinémathèque Marocaine, 57th FIAF Congress, Rabat April 20 to 29, 2001
Newsletter 3

To FIAF affiliates and delegates to the Congress

Here is the last newsletter for the 57th FIAF Congress taking place in Rabat from April 20 to 29. This congress is organised by the Cinémathèque Marocaine in cooperation with the Centre Cinématographique Marocain.

Location

The symposium and workshop will take place in the main auditorium of the Cinémathèque (300 places). The General Assembly and the regional meetings will take place in the Centre d'Accueil et de Conférence (CAC), a five minute walk from the Cinémathèque. The meetings of the Executive Committee will take place at the CAC and the Technical Commission meeting at the Cinémathèque. Simultaneous translations into English, French and Spanish are foreseen for the Executive Committee meetings and the General Assembly. The symposium and the workshop will also be translated into Arabic.

Administration

The FIAF and the congress secretariat, including office, mail boxes, telephone, fax, translations, etc. will be at the Cinémathèque from April 23 to 25 and at the CAC from April 26 to 28. Registration of the delegates will be possible upon arrival at the hotels. The delegates must wear their badges during the congress in order to enter the different buildings.

Visas

The list of countries requiring visas was published in the second newsletter and we remain at the disposal of any delegate who needs help with this.

Hotels

As the number of hotels located in town is limited, we can not promise to find rooms for the delegates who register late. Most of the hotels listed in the second newsletter are now full. However we can still try to find rooms in other hotels.

Meals

It will be possible to have meals in the CAC during the entire congress and lunches will be offered by the organisers as well as coffee breaks at the CAC and the Cinémathèque. The cafeteria of the Cinémathèque will remain open during this period.

Workshop and Symposium

Both are presented in the documents attached.

Screenings

There will be projections on the theme of *Colonial Cinema* and *Moroccan Cinema* every evening at the Cinémathèque and at the "Salle du 7^{ème} Art" located in town. Delegates can enter the cinema with their badges. The program of screenings will be provided at the beginning of the congress.

Excursion

More details will be communicated at the beginning of the congress on the one day trip.
