THE XXI FIAF CONGRESS IN OSLO 1965

.....

+++++ FIAF HEADQUARTERS DURING THE OSLO CONGRESS +++++

During the XXI FIAF Congress in Oslo, we will have our Headquarters at the LYSEBU CONGRESS ESTABLISHMENT. There, we will have our private rooms with toilet facilities, our meals, our meetings and our special film showings.

LYSEBU will be at our disposal during the Congress and we will have the whole establishment to ourselves.

The pension price, that is the price for a private room with shower and W.C. and including three complete meals (breakfast, lunch and dinner), will be very low, as Norsk Filminstitut will subsidize part of the expenses, and will cost between 55,00 and 60,00 Norwegian kroner per person a day. This equals approximately 8,00 to 8,50 U.S. dollars. One krone equals one English Shilling. As the price of the pension is all inclusive, there will be no refund if meals are missed. The usual price in an average hotel in Oslo costs at least as much for a room without meals.

Every evening a late supper will be served at no charges to our guests.

WE RECALL THE DATES OF THE MEETING:

EXECUTIVE COMMITTEE:

- Arrival of members of the Executive Committee: Friday, June 18th.
- Meeting of Executive Committee: Saturday, June 19th and Sunday, June 20th.

GENERAL MEETING AND CONGRESS:

- Arrival of delegates: Sunday, June 20th.
- Meetings: Monday, June 21st throughout Saturday, June 26th.
- Departure of participants: Sunday, June 27th.

The LYSEBU is reserved exclusively for FIAF during the above mentioned period.

HOW YOU CAN GO TO OSLO
^^

By plane, train or boat, and of course, by private car.

Plane is the quickest and most direct way. You will land at the Fornebu Air Port near Oslo. After having passed through the passport and customs control, please look for a person carrying a FIAF Congress emblem or sign. You will then be taken by car to Lysebu. Do not take a taxi, as the distance will make it much too expensive.

Train - a suggestion. Those who are coming from the south, east or west of Europe may take a train to Copenhagen, and a boat from there to Oslo, - there is a regular, daily route. The boat leaves Copenhagen every day at 16.00 o'clock and docks in Oslo the next day at 08.00 o'clock in the morning.

The train must correspond with the boat. Consult your travel agency and order your tickets as soon as possible, as the traffic is very heavy, - especially at this time of the year.

THE EXECUTIVE COMMITTEE. Those of you who are coming to the Executive Committee Meeting in Oslo, beginning Saturday morning, June 19th, have to board the boat leaving Copenhagen on Thursday, June 17th, at 16.00 o'clock. You will then be in Oslo the next day, that is on Friday morning, June 18th, at 08.00 o'clock.

DELEGATES TO THE CONGRESS. Those of you who are coming to attend the XXI FIAF CONGRESS IN OSLO, with the official opening on Monday, June 21st, have to board the boat leaving Copenhagen on Saturday, June 19th at 16.00 o'clock. You will then be in Oslo on Sunday morning, June 20th, at 08.00 o'clock.

TO ALL WHO ARE GOING THIS WAY. It might be a good idea to get up fairly early on board in order to enjoy the beautiful scenery, sailing up the Oslo Fjord.

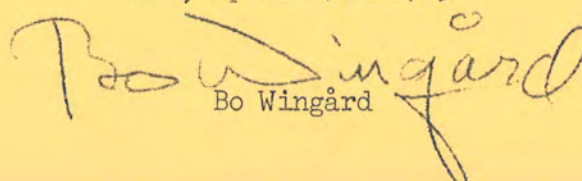

Have your breakfast on board (it is cheap and good) and

d o n o t l e a v e t h e b o a t u n t i l s o m e b o d y c o m e s t o welcome you and bring you to Lysebu. You will probably not be able to find your way by yourselves. It is early in the morning, so take it very easy, - we will, here in Oslo.

There is a tax-free shop aboard, where you may buy various things very cheaply. But you have to do this the same afternoon you board the boat, as the shop will be closed when you arrive in Oslo.

I want to use this opportunity to wish you a pleasant journey and a happy voyage to Oslo, hoping that the sun will shine from a clear sky.

WEATHER AND CLOTHING IN OSLO

At this time of the year the weather may be really nice and beautiful. It is just around Midsummer, and the very lightest time of the year in Norway. The sun-set is around 01.45 and the sun-rise around 02.50, normal time (Greenwich time). Thus, it is dark only about one hour. Not really dark though, but dusky.

On the other side, it may be chilly and rainy. You never know about the weather, - do you?.

So, to safeguard yourselves, why not bring some warm clothing, a coat, jacket, sweater or a pull over.

And, if you are fond of taking a walk, may I suggest that you bring a pair of good walking shoes.

NORMAL TIME (Greenwich time) - SUMMER TIME IN NORWAY.

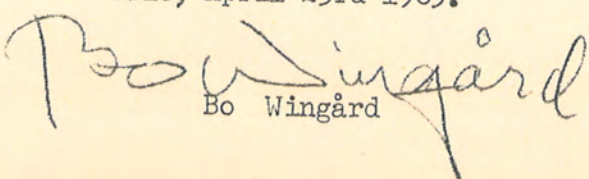

When you come to Oslo, we will have summer time in Norway. Therefore, all of you who have watches which go by normal time, must set the time ahead 1 (one) hour. For example from 12.00 o'clock normal time to 13.00 o'clock ~~summer~~ time.

FOR YOUR FURTHER INFORMATION

The Vikings now-a-days are usually fairly friendly and good-natured, - although you may of course find some exceptions. But alas, they still practise the habit of dragging their women along by the hair.

The ice bears pottering around the streets in Oslo are nice and tame, - but, to be on the safe side, do not make any attempts to pat them, though.
