

FIAF Trainers Form

Interested in becoming an occasional trainer for FIAF? This form is introduced by the FIAF Training & Outreach Programme to identify potential trainers in the FIAF community and beyond. This will allow us to maintain a database of potential trainers in all regions and disciplines. Note that the information you provide will only be accessible to the FIAF Secretariat and to the FIAF Training & Outreach Programme.

General questions:

Would you be prepared to offer training on behalf of FIAF for no or little (per diem) financial compensation, beyond the reimbursement of your travelling and accommodation expenses?

yes no

Should FIAF be able to compensate you financially for your involvement in its training, would the remuneration be compatible with your professional situation (i.e. would your institution, or your employment law, or tax system, allow this additional remuneration beyond your normal salary?)

yes no

Do you think you would have the support of your institution should you occasionally take part in FIAF training?

yes no

Any other comments you would like to make about your interest in training for FIAF?
